

From Page No. X

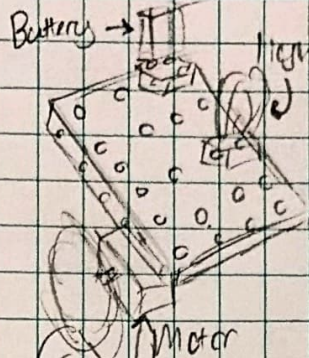

modular spider thing

STEM?

not sure, but it's cute
perhaps a kit?

#2

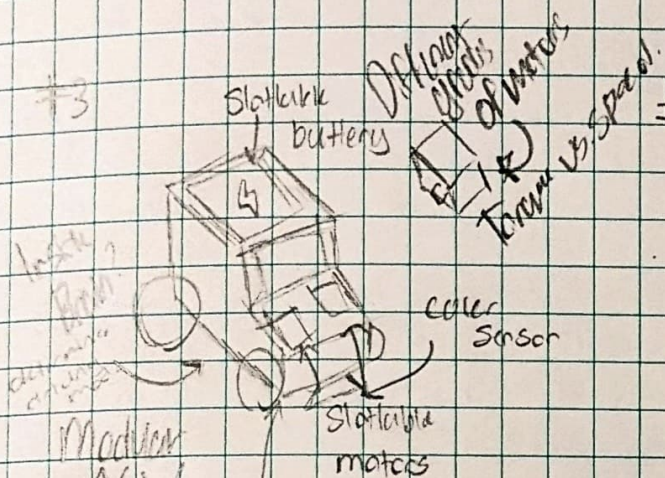

Sharp-to-grid
build/tinker set

Electronic components
can be attached to the
kit

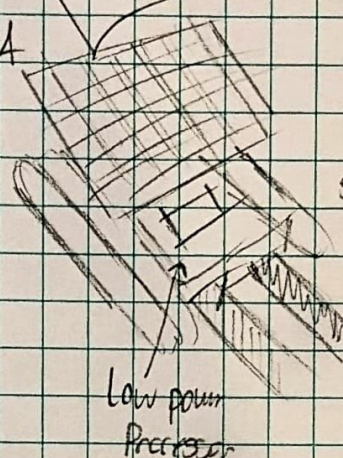

instructions include challenges
to do/complete

#3

Full assembly?

#4

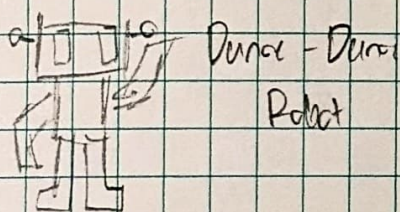

Solar power kit
AGV

Supercharged
capacitors
briefly power
processor and
sensor to correct
logic

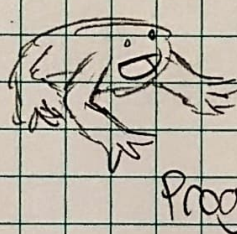

Low power
Processor

#5

Dance - Dance
Robot

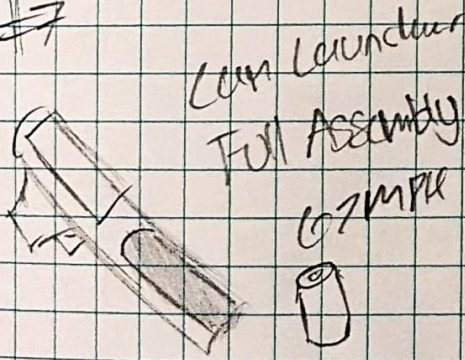

#6

Jumping
Frog
Prog FROG

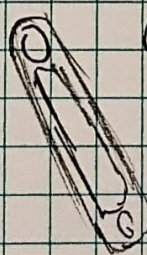

Denies to the tempo

#7

Coin Launcher
Full Assembly
67MPK

#8

Building set
Scaffolding
NHS
