Preparing for College and Careers

Issued to: Matthew Jeide

Date issued: 5/12/2026

Industry Recognition – Employers, Organizations, Sponsors

These and other local and national employers, industry organizations, and business sponsors value the knowledge and skills demonstrated by earning this certification.

Certified Industry Skills and Knowledge

This certification verifies the candidate has successfully achieved the following industry competencies:

Core Standard 1 – Students evaluate personal characteristics to develop and refine a personal profile.

Core Standard 2 – Students investigate one or more Career Clusters and College and Career Pathways, based on individual interests, to further define career goals.

Core Standard 3 – Students analyze college and other post-secondary options to know what educational opportunities are available after high school.

Core Standard 4 – Students apply higher order thinking and problem solving processes to make decisions about education, life and career.

Core Standard 5 – Students create flexible plans of action for achieving personal goals through secondary education, college, career and life.

Core Standard 6 – Students demonstrate personal skills needed for success in personal, family, community, and career aspects of life.

Core Standard 7 – Students demonstrate knowledge and skills needed to navigate life and work environments in the global economy.
